Dear Parents and Caregivers,

It was fantastic to see so many of our school community members and staff attend and support the EHGTHS Spring Garden Fair on Saturday. It was with great pride that I watched our School Choir, Junior and Senior Dance groups perform at the Fair. I would like to congratulate all the students involved and their parents/caregivers for getting them there on the day in order to represent our school. I would like to take this opportunity to acknowledge all the hard work and effort that Mrs Fletcher, Miss Miller, Miss Cascio, Mr Formica, Miss Frouxiou and several EHGTHS students did in preparing our students all term for the performances.

I would also like to thank all our parents and caregivers for their support this term for in particular those parents / caregivers who have been giving up their time to assist in our school canteen. I would like to extend a special mention to Mrs Nuray Bozat, Mrs Brooke Borthwick-Moy, Mrs Kathryn McGrath and Ms Cassandra-Lee Cook for their dedication and support in the success of the P & C fundraising for Term 3, in particular with the Father’s Day stall and our Banana Bread stall at EHGTHS Spring Garden Fair.

I look forward to showcasing our school on Wednesday 15 October 2014 at the 2015 Kindergarten Orientation information morning. I look forward to meeting the new and existing parents and caregivers to our community on this day.
As the term draws to a close tomorrow, I would like to take this opportunity to wish all our staff, students, parents and caregivers a safe and happy holiday break and look forward to working with you all again in Term 4. Please ensure you are aware of the Term 4 dates which are included in this newsletter.

EAST HILLS GIRLS TECHNOLOGY HIGH SCHOOL SPRING GARDEN FAIR
On Saturday 13 September many of our students represented East Hills Public School at the EHGTHS Spring Garden Fair. Students from our Dance and Choir groups did a fantastic job performing a number of items to many local families on the day. Further on in our Newsletter are a few photos of the day.

Our P&C were also there raising much needed money for our school by selling yummy Banana Bread.

PUBLIC SPEAKING – BANKSTOWN DISTRICT COMPETITION
We would like to congratulate Moneba Etri and Daniika Hristova for their participation in the Public Speaking district heats on the 9 September. We are very proud of the girls efforts. Well done.

PERMISSION TO PUBLISH
Thank you to all Parents and Caregivers who have already returned the blue Permission to Publish note that was sent out earlier this year.

For those who received a reminder note last week could you please complete it and return it to the office ASAP. We appreciate your cooperation.

CHICKEN POX
Parents and caregivers please be aware we have been notified of a case of chicken pox over the last few days. If you have any concerns regarding your child’s health please seek advice from a medical practitioner.

AUSTRALIAN CHILDHOOD IMMUNISATION REGISTER
For those of you not aware The Australian Childhood Immunisation Register is a national register that records vaccinations given to children under seven years old. It also provides immunisation history statements to parents or guardians.

Your child’s immunisation history on the Immunisation Register can help you when you need proof of immunisation. For example:

- you can get an immunisation history statement to use as proof of immunisation for school enrolment. They will send you a statement when your child turns 18 months old and five years old, or you can request one at any time
- you can check the Immunisation Register to see if your child meets the immunisation requirements for some family assistance payments, such as the Family Tax Benefit Part A supplement, Child Care Benefit and Child Care Rebate.

[1] Australian Childhood Immunisation Register
[2] Child Care Benefit
[3] Child Care Rebate

Page 2
You do not need to do anything to add your child on the Immunisation Register. Children who are under 7 years of age and enrolled in Medicare are automatically included on it. Even if your child is not enrolled, they will be added to the Immunisation Register once they receive their immunisation details from your doctor or immunisation provider.

When they have collected 2 stickers they will be eligible to receive a fabulous prize from the Boys and Girls Crazy Fruit Jewellery (these items are on display at the canteen). There are 6 different designs to collect. Jewellery prizes can be redeemed at the canteen or from a supervising teacher.

All children receiving a jewellery prize will go into the state wide major prize draw to win one of the following prizes:

- **Third Prize:** (10) Fresh for Kids gift packs, including a backpack, lunch box cooler and drink bottle
- **Fourth Prize:** (20) Event Cinema gift cards

COMPETITION CLOSES FRIDAY 19 SEPTEMBER 2014

**IDEAS TO GET YOUR FAMILY MOVING:**

- Go outside and play chasing, ride bikes or throw a ball or a Frisbee.
- Encourage your child to play outside whenever possible. Play along whenever you can.
- Be a good role model – be active when you’re with children. What gets children moving is what parents do, not what they say. Children learn by example!
- Encourage children to make their own obstacle course at home. You could use garden hoses as tight-ropes, chairs to crawl under, and the clothes line to run around. Include a skipping rope and some jumping. For variety ask them to walk backwards, hop or skip through the obstacle course. Time them to see how they are improving.
- Include games and walks in family outings.
- Negotiate a time limit on sedentary activities such as watching TV and playing computer games.
- Walking together is a good time to talk to children about their lives and yours.
- Be prepared, think about activities your family can do in and around your home. Have some plans for wet days.
EAST HILLS PUBLIC SCHOOL RULES

1. Come to school prepared to learn.
2. Look after and show pride in our school.
3. be safe and fair.
4. Treat everyone with respect

SCHOOL UNIFORMS

A reminder that East Hills Public School is a 
uniform school. Uniforms are available for 
purchase from Moorebank Uniforms and 
Embroidery where they currently have plenty 
of stock at very reasonable prices.

The uniform shop is located at 34 Anderson 
Avenue, Panania, ph. 9771 0825. In addition, 
it is important that students wear covered 
footwear to school to protect their feet.

For this purpose, black leather shoes are 
required footwear for all our students under our 
current school uniform policy.

A second-hand uniform shop operates through 
our school P&C. Second hand uniforms can be 
purchased by contacting Mrs Maha Mekkaoui 
on 0468 918 670 or via the school office and 
arranging a suitable time.

School hats and beanies are available for 
purchase for $10 through our school office and 
NOT through the uniform shops. The P&C 
organise the ordering and supply of school 
hats and any profit from their sale is donated to 
the P&C and is used to purchase resources for 
our school.

A reminder that BLACK LEATHER SCHOOL 
SHOES are the correct school uniform 
footwear. This type of footwear not only 
protects the children’s feet but raises the 
standard of dress of our students.

Please assist the P&C and the school in 
ensuring that your child is wearing the correct 
footwear. Please see example 
below:
SPORTS T-SHIRT REMINDER
As part of our ‘School Uniform Policy’, East Hills Public School has a dedicated sports t-shirt to be worn on Fridays and all sports days. These t-shirts, in consultation with the P & C were introduced from Term 1 2013. It is now expected that all students of East Hills Public School will wear the sports t-shirts on these days. The t-shirts are $38.50 each. If your child is participating in PSSA they must have a sports shirt to be able to participate! Thank you for your urgent attention to this matter.

SCHOOL HATS
Overall our students are consistently wearing their school uniforms. A reminder however to those parents and caregivers of children who do not have a school hat, that they are part of the ‘East Hills Public School Uniform Policy’. The hats are broad brimmed, designed to ensure that appropriate sun safe measures are enforced. Please support the school, and the P & C in this matter by purchasing one for your child from the school office for $10.00. All proceeds go to the P & C to help their fundraising for valuable resources and equipment for the school.

EAST HILLS PUBLIC SCHOOL AWARD SYSTEM
As we have a number of new parents and caregivers the following will explain our school award system. It will also be a refresher for those parents and caregivers who may have forgotten!

Your child receives awards for a number of reasons and each one is based on a point value system leading up to our school medal. Ten (10) points will qualify a student for an Award of Excellence. Classroom awards (not stickers) will have a half (1/2) point value.

The following awards will have one (1) point value:

- Athletic, swimming, cross-country ribbons
- Assembly Awards
- Principal’s Awards
- External Competitions
- Presentation Day Awards
- Swimming Scheme Certificates
- Participation Certificates

A school medal will be awarded to students who have accumulated eight Awards of Excellence.

If you have any further questions please contact me via the school office.

PARENTS AND CAREGIVERS VISITING THE SCHOOL
ALL parents and caregivers are requested when visiting the school during school hours, to sign the visitor’s book and wear a visitors badge located in the school office. Parents and caregivers will be directed by school staff to do so if they are in the school grounds without having complied with our regulation. The primary purpose of this exercise is Safety!

Firstly, we are aware of who is in our school for the safety and wellbeing of all our students, and secondly, it will enable us to determine who is in the school should we need to implement our evacuation or lockdown procedures. Thank you for your cooperation with this matter.

SMOKING
Parents please be advised that smoking is not permitted in the vicinity of the school gates. If you want to smoke you will need to cross the road.

IMPORTANT REMINDER
We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.
Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning support for your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people mentioned as emergency contacts. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

**MEDICATION**
If your child needs to take medication, please bring it to the office fill out the necessary authorisation for its administration.

**Under no circumstances are children permitted to have any form of medication in the classroom or in their schoolbags.**

**MAKE SCHOOL AWARE OF SPECIAL CIRCUMSTANCES**
Any changes to your child's family situation can impact on their emotional and academic well-being. Inform your child's teacher and principal about any changed circumstances so that the child can be supported if necessary. Examples of special circumstances include the birth of a sibling, divorce or the death of a loved one.

**IF YOUR CHILD IS ABSENT FROM SCHOOL**
If your child has to be absent from school for any reason, please tell your child's teacher or send a signed note explaining the reason for the absence within seven days.

**MOBILE PHONES**
If you deem it necessary for your child to bring to school a mobile phone, they must hand it in at the office before school and collect it when school is dismissed.

**MUSIC BUS**
A reminder that the Music Bus operates in our school each Tuesday. For a small fee of $14 per week (incl. GST) and a 10% discount for an additional child children have the opportunity to learn a variety of musical instruments. For further information please check out the website at www.THE MUSICBUS.com.au

**LATE ARRIVALS**
Children who arrive at school after the morning assembly must go to the office and collect a late note.

Please do not accompany your child to their classroom if they arrive late as this tends to unsettle the classes and interrupt valuable learning time. Children should proceed to class themselves (children requiring assistance to their classrooms will be assisted by our office staff). Any messages may be left with our office staff, who will pass them on to the teachers at the next break time.

**BOTTOM SCHOOL GATE LOCKED**
A reminder that our school gate on Lehn Road will be locked shortly after the morning assembly each day and will be reopened at approximately 2.30pm. The purpose of locking this gate is to prevent visitors from walking through our school grounds and for the safety of our students. All visitors to our school will be able to enter through the gate on Lucas Road whereby the path leads them directly to our front office. Thank you for you cooperation with this important matter.
**SCHOOL BANKING**
School Banking is on a Friday. Please have your child give their bank book to their teacher on a Friday morning.

All new applications will be processed once a week so allow a week or two until the account is open. All redemption gift tokens will be processed fortnightly. For further information regarding this worthwhile program please contact our School Banking coordinator Ms Sanaa Chemaissem 0451 119 307.

**A CHILD SAFETY REMINDER TO ALL PARENTS AND CAREGIVERS**
A reminder to all parents and caregivers to take note of the sign on our school driveway gate asking you to STOP! Please do so in the interest of student safety!

It has been reported to me that a number of our parents drive into the driveway to drop their children off at school. This is NOT PERMITTED AT ANYTIME.

The driveway is used by staff and special transport taxis as well as the YMCA bus, all of whom have access at designated times.

Also, if you are in the school grounds during the day you MUST REPORT to our school office prior to visiting your child’s classroom. Under NO CIRCUMSTANCES are you to approach another child in the school grounds.

**SCOOTERS AND BIKES**
A reminder that students who ride either bikes or scooters to school MUST wear a helmet. Furthermore, when they enter the school grounds they MUST NOT ride their bike or scooter through the playground.

**DON’T FORGET TO LABEL YOUR CHILDS BELONGINGS**
You can:
- use a permanent laundry marker to label clothes, hats and shoes, or sew or iron on personalised labels
- go through your child’s bag with them each night
- check that labels haven’t faded with washing
- if something doesn’t come home, check the lost property bin located in the staffroom building

**P&C NEWS**
Our next P&C meeting will be held on Tuesday 14 October 2014 at 5.30pm in our school staff room. It is important that we get as many parents and caregivers as possible to attend our meetings and be available to assist with on-site events during school hours so that we have a good representation of our school community present. We look forward to seeing you there.

If you are unable to attend our next meeting but wish to be involved and assist in our fundraising efforts please contact the school office directly or via email and they can pass your details onto the P&C President.

The P&C also now have size 16 sports shirts for sale via the School Office.

**SCHOOL ASSEMBLY**
Our next whole school formal assembly will be held on *Friday 19 September in our school hall at 11:30am – 12:30pm.*

Your attendance at our assemblies is always welcome! Thank you for your continued support.

PEARLS CLASS NEWS

The Pearls have been learning about capacity in mathematics this week. They explored the measurement of capacity in many different fun ways.

The Pearls were learning how to use equal units of measurement to find the capacity of a container. They also compared and ordered the capacity of two or three different shaped containers.

“I’m using the spoon to measure the pan” – Tegan

Jesse used a spoon and coloured dinosaur pasta to measure the capacity of the cup.

Chloe and Lisa found that it took 9 spoonfuls of pasta to fill the green container.
One way the Pearls experimented with capacity was with water, by pouring water into different containers and estimating their capacity.

Their favourite activity was using rainbow rice and dinosaur pasta to measure the capacity of bowls and tea cups from the home corner. This involved finding how many scoops or spoonfuls of pasta could fill different containers.
