Dear parents, carers and community,

This week we celebrated the incredible dedication and work of our SAS staff. From our welcoming office staff, and interactive student learning support officers to our general assistant, I'd like to thank them on behalf of the whole East Hills community for making school life for our children happy and safe as well as supporting our quality learning environment.

Many thanks to the P&C for organising the Father's Day stall. Our students are fortunate to have a variety of gifts to choose from.

Just a reminder to bring your earn and learn stickers to the school.

Topaz have been working hard to brighten up our top playground. Miss Miller has organised for students to paint the playground logs to enhance the look of our new playground. Thank you Miss Miller and Topaz for adding colour and value to our school environment.

I'd like to thank Hoxton Park Public School for organising the classroom furniture we had delivered yesterday. A wonderful addition to our classrooms for students.

Have a wonderful fortnight ahead and the start of a beautiful spring season.

Principal
**DOGS ENTERING OUR SCHOOL GROUNDS**
Due to recent events in the media we would like to remind you that dogs are not allowed to enter the school grounds for the safety and wellbeing of our students and staff.

**SYDNEY TECHNICAL HIGH SCHOOL INFORMATION MORNING**
Sydney Technical High School will be holding an information morning for students interested in attending the school in Year 7 2017.

The morning will be held on Thursday 8 October at 9.15am in the High School Auditorium.

Any parents/carers of Year 5 students at EHPS that are interested can come and collect an information flyer from the office.

**BOOK WEEK AND AUTHOR VISIT**
On Tuesday 25 August, East Hills Public School celebrated Book Week. The playground was full of many wonderful characters including Wally from ‘Where’s Wally?’, Hermione from ‘Harry Potter’, Hairy MacClary, some beautiful princesses, happy dragons and even Mary Poppins. Congratulations to all of the children who dressed as their favourite book character!

We were lucky enough to have author/illustrator Tina Matthews present an informative session on her life as a writer of picture books. Students asked Tina some very interesting questions and she commented on the enthusiasm and respect the students of East Hills Public School showed.

In the afternoon we celebrated Book Week by having our book parade. There were plenty of smiling faces as the children paraded in front of their friends, siblings, family and carers.

Also a big thankyou to all of the families who supported East Hills Public School by purchasing books at our recent Book Fair! We were able to purchase $600 worth of books as a result of the support you gave the Book Fair! A huge effort for a school of our size!

As the holidays approach it is a great time to look for those missing library books.

Look further in our Newsletter for more beautiful images of our parade.
**SUPPORT UNIT ORCHESTRA**
On Thursday, 27 August, the Support Unit were invited to see the Sydney Symphony Orchestra at Mounties. We enjoyed playing along with the orchestra, dancing as a ballerina, being the conductor and singing with the orchestra. We thank the Autism Advisory and Support service for organising this event and for the special gifts we received.

**TOPAZ BRIGHTENS UP THE PLAYGROUND**
On Thursday 20 August, Topaz painted the logs surrounding the equipment on the top playground. First, we got into groups of two or three and put on our paint shirts. Then Mr Tony gave us tips and tricks, showing us how to paint it perfectly. After that it was time to get started. Once we finished painting we left it to dry. We were all really impressed with how it turned out. Topaz had so much fun brightening up the playground and we can’t wait to paint the second coat.

The students from East Hills Public School involved in the INSPIRE project, have decided that these four poles lack colour and life. Therefore, as part of their leadership project (Guy, Alex, Rhys, Chanel, Damian and Kiera-Leigh) are going to transform the poles with some amazing Indigenous art work.

INSPIRE PROJECT DANCE GROUP
As part of the INSPIRE project, our students (Rhys, Chanel, Kiera-Leigh, Skye and Karliah) are involved in a dance group conducted by Elly a Year 9 student from East Hills Girls Technology High School. The students have had two rehearsals so far and created their costumes last week. Next week they will have their final rehearsal and then perform next Friday 11 September 2015 at the NSW Deputy Principal’s conference at the Novotel Brighton.

FRUIT & VEG MONTH 2015 – LET’S GO GREEN!
Our school is participating in the fun of Fruit & Veg Month, which runs for the last 4 weeks of this term - Monday 24 August to Friday 18 September.

As part of Fruit & Veg Month, students will be involved in various classroom and school based activities that aim to encourage them to eat more fruit and vegetables.

Watch this space for updates. Or, better yet, ask your child what activities they have been involved in. It is a great way to bring the healthy eating message home!

Garnet’s Class News

This term the Garnets have been learning about music. We have learnt about the musical concepts of rhythm, tempo, pitch, structure, dynamics and tone.

We have started to create our own pieces of music which has been a lot of fun. We have been playing around with which sounds work together and which ones do not. On Friday, at assembly, you’ll have the opportunity to hear a few students work so far.
We have also been doing poetry in writing and we have started creating artworks that relate to their poems.

KEEPING COOL WITH YOUR KIDS

Presented by
Bruce Chan
Family Relationship Education and Skills Training Coordinator
MC’s, Parenting and Family Services

The modern parent has a relatively demanding job on his or her hands, rearing them in an ever increasing amount of routine. Giving in to a parent’s anger can never be done. A parent’s anger should never be taken lightly.

By learning how to defuse your child’s anger, parents can improve their relationships with their children.

This seminar looks at how parents can manage their own anger as well as help children with theirs.
